

## ROUTE 17 CAPITAL MAINTENANCE PAVING PROJECT FACT SHEET – MAY 2011

### **Project Objective:**

This project is to rehabilitate and preserve the existing roadway on State Route 17 in Santa Clara County from 0.1 mile south of State Route 9 to 0.1 mile south of State Route 85.

### **Need and Benefits:**

The project will replace failed pavement sections and place a preventative overlay of asphalt pavement on the mainline of State Route 17 and the on/off ramps at the junction with State Route 9 and at Lark Avenue. This work will improve the ride quality for the traveling public as well as extend the ultimate life of the pavement.

### **Project Costs:**

Amount Bid \$ 3,592,480

### **Status:**

The Construction Contract has been awarded to Bay Cities Paving and Grading. Work is expected to commence during the end of June, 2011. Work is expected to be complete by the Fall of this year.
